Re: Updating of Membership Roster/CE Certificates

Dear Member:

I am glad to report that our 2008 Membership has soared to over 160 members for the first time ever; we would like to thank everyone for making our organization a success.

I am requesting with over 160 members and climbing that if members have a change of address(business or home), phone number(s), fax numbers, e-mail address(business or personal), job title or designation, please notify me with the changes at [wcsrea521@aol.com](mailto:wcsrea521@aol.com) so that I may provide up to date information on our members. This will help me to keep our member roster on line up to date and to serve each and every one of you for upcoming events, seminars, classes and referrals.

In addition to updating the membership roster, I am asking our members that if inquiring about CE certificate(s) for a specific class, or have lost a CE certificate and is in need of replacement (marked "duplicate") please contact me by email. By getting in contact with me will only save time on providing you with immediate service.

If you do not send me the updated information, I can not be held responsible for you not receiving the needed information.

Please take a moment to help me serve you better.

If you have any questions, please feel free to contact me.
